# Faith Building Blocks

Throughout the year each age group will have a special “Faith Building Block” session in which parents or special adults are asked to attend class with their child. Most sessions last for a total of four weeks; the first class consists of parents/guardians only connecting with Pastor Stanton and other parents in the fellowship hall; the children at this time will attend Sunday School as usual. Weeks two and three are for the child and their parents/guardians to attend together, sharing in conversation and growing together in faith. The fourth and final week, children will have a presence in worship in celebration of the Faith Building Block they have learned about.
